Join us for a memorable evening at the annual dinner for Cooperators and friends of the **Aldridge Study Centre**.

This year's dinner takes on special significance as our main event to share big updates on the building project and fundraising progress.

Over a 3-course meal, we'll celebrate the impact of the Centre so far, hear from some inspiring speakers and see firsthand how the new Centre is taking shape and how your support can help bring it to completion.

It's a night to connect with friends old and new—and to play a part in building a lasting place for formation, study and growth for generations to come.

**Dress:** business smart; jacket and tie optional.

**Parking:** private free car park at rear of the club.
